

Health insurance the way it should be™

Traditional plans may not work for everyone, whether that reason is cost or narrow networks. Sidecar Health created plans with affordable, robust coverage that can be used at any healthcare provider and pharmacy.

Why should you consider Sidecar Health?

40% LESS EXPENSIVE
Plans are over 40% less expensive† than comparable major medical plans

 Members can see any licensed healthcare provider or visit any pharmacy they want

 Coverage can be customized, and can be changed or canceled at any time

 Fixed benefit amounts for every covered service are found in our app, providing full transparency

More reasons to consider Sidecar Health:

- Members are in control of their healthcare spending
- Robust coverage for more than 170,000 medical services and prescription drugs, except for maternity
- Look up healthcare providers near you and help other members every time you use your coverage by adding what you paid at the doctor
- Plans are underwritten by insurance partners that are rated by AM Best
- Anyone under 65 can enroll any time – no need to wait for Open Enrollment!
- We use technology to remove most of the admin expense processes associated with traditional insurance and pass the savings on to members.

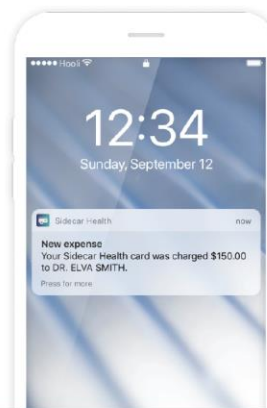

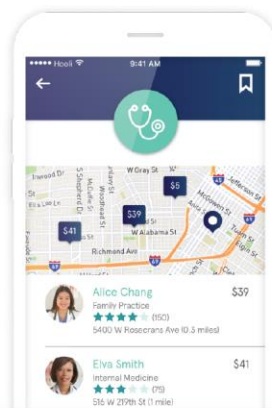

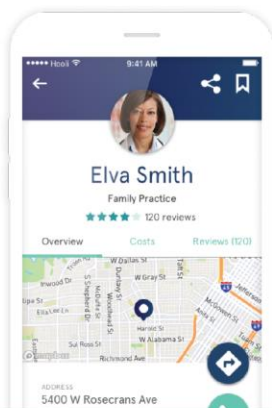

Here's how it works

Ask your healthcare provider for the self-pay price.

Compare prices between providers to find the best rate.

Pay with your Sidecar Health payment card at the provider.

Upload a picture of an itemized bill and you're done!
